THE MONTH OF THE ROSARY

It all started in 1571, when the Catholic League entered into battle against the Ottoman Empire to protect Italy from invasion. The Turks were on a warpath to overthrow all of Europe, killing millions of people and forcing Islamic conversion on survivors. They had conquered the Middle East and Mediterranean islands of Cyprus and Crete. Italy was next.

As the impending battle loomed, Pope Pius V called on various religious communities throughout Europe to join him in praying the rosary, including public recitations, to defeat the Islamic threat. Heading into battle, every man in the Catholic League's forces carried a rosary. Their fleet was no match for the competition, vastly outnumbered.

Miraculously, the Catholic League returned victorious after a daylong battle known as the Battle of Lepanto that took place off the coast of Greece. In thanksgiving for Mary's intercession and protection, Pope Pius V declared the day — October 7 — as a feast day for Our Lady of the Rosary. To celebrate, a rosary procession was held in Saint Peter's Square.

The presence and protection of our Mother Mary has immense power — requested, channeled, and honored through the rosary. Her immaculate intercession has won wars and conquered hearts. After the feast day was established, the entire month of October was dedicated to the rosary in 1884 by Pope Leo XIII. As we enter the month of October, let us renew our devotion to Our Lady of the Rosary — reflecting on its origins saving nations and individuals in times of conflict and despair.

St. Carlo Acutis is the Patron Saint of Youth. Carlo is the first millennial saint and is already known as the "patron saint of the internet" due to his passion for **recording miracles online and helping run Catholic websites** before he passed away in 2006 at the age of 15. When Carlo was 11, he built a website catalogue of Eucharistic miracles around the world. Pope Francis canonized Carlo on October 10, 2020 and his feast day is October 12th. All the children in our parish who attended the 9:30 Family Mass today received a prayer card of St. Carlo Acutis. From a young age, Carlo seemed to have a special love for God. Even as a young child, Carlo loved to pray the rosary. After he made his First Communion, he went to Mass as often as he could, and he made Holy Hours before or after Mass. He went to confession weekly. He asked his parents to take him on pilgrimages – to the places of the saints, and to the sites of Eucharistic miracles. To learn more about the Eucharistic miracles, visit his website at <https://carloacutis-en.org>.

PARISH HAPPENINGS

GIFTS FROM BETHLEHEM

Olivewood Handcrafted from the Holy Land

The handicrafts trade evolved as a cultural tradition of Christians in the Holy Land for many centuries. This form of art has since become an industry of great importance to the local people of the Holy Land who rely on it for livelihood. The olive wood carving market is the major source of income in the Bethlehem area. More than 65 percent of the income of the community in Bethlehem comes from this work. In recent years, however, the holy crafts trade has suffered many hardships due to social and economical pressures. Because of a short fall in tourism and also as a result of diminishing number of craftsmen who leave their traditional trade and emigrate due to the difficult conditions in their homeland, the Holy Land handicraft market is facing serious danger, and so is the Christian community in the Land. Representatives from **Gifts from Bethlehem** will be here on this weekend after all Masses selling their handicrafts. These religious items make perfect Christmas gifts or a gift for any occasion. Please support this very important ministry.
